Gallery for Cultural Journals at the Alte Schmiede, Vienna

The *Alte Schmiede* (Old Smithy) in Vienna, so-called for the former blacksmith's workshop still housed in its premises, has for 33 years been organizing readings and discussions on literature. Cultural journals have always been a central part of its programme. Now, a broad selection of Austrian and European cultural journals, among them numerous Eurozine partner journals, can be read in the *Gallery for Cultural Journals* that opened on 11 February at Schönlaterngasse 7 in Vienna. Online access enables visitors to gain a further overview of digital publications. The reading room is open on weekdays between 14:00 and 18:30.
