Mapping the road to unfreedom

Timothy Snyder’s ‘The Road to Unfreedom’ critiqued and explored

Ferenc Laczó, Timothy Snyder, Kacper Szulecki, Peter J. Verovšek
24 July 2018

In ‘The Road to Unfreedom’, historian Timothy Snyder traces the intellectual roots of modern authoritarianism in Russia and how its influence has spread, not least in the West. In the following exchange, three east-central European scholars, brought together by ‘Razpotja’, critique Snyder's new book – and Snyder responds.
